Description

Trusted partners. Specialist construction solutions. Established in 1987, Setsquare has consistently delivered on a consultative approach within the built environment for decades. We are experts in construction recruitment, it is what we know and understand. Setsquare partners you at every stage of your construction career. We possess a long-standing track record within five areas of expertise: • Building construction jobs • Civil engineering jobs • Consultancy & design jobs • Facilities management & maintenance jobs • Highways & infrastructure jobs Through our network of offices across the UK, an expert knowledge of the domestic construction market allows us to deliver local opportunities that are right for you. Among our client base you'll find local, regional, national and international contractors and public authorities. Setsquare joined nGAGE Specialist Recruitment in February 2016. nGAGE is a leading UK-based recruitment group that operates 14 specialist recruitment businesses. With the backing of nGAGE, we have access to the technology and support structures that are enabling us to take our business to the next level.
