### Job Description

I am working with a developing client that employ enthusiastic, energetic staff of the very highest calibre. They then empower these talented individuals to enable them to make key decisions and fully participate in the process of managing and delivering projects. They recognise the importance of career development, the culture in our business is to work hard to continually improve the quality of our people.

They are looking for a site managers to help run a £15m Residential new build scheme project in the heart of West london. The scheme will need to manage from the ground out and consist of 48 units across 6 blocks.

Salary expectation is entirely based on experience and what you can bring to the company.

Please get in touch with Patrick at Fawkes and Reece or apply within.
