### Job Description

Final Mile Delivery Manager - Avonmouth

Permanent

Job purpose:

The Final Mile Delivery Managers first and foremost support the Field Team and ensure that the Courier Teams deliver our customer's parcels.

About the role:

Final Mile Delivery Managers are the point of contact for the Couriers when they have issues, cannot attend work or need guidance. You will ensure that all work that has been allocated has been picked up and delivered by a Courier.

Where this is not the case, you will work on finding solutions to ensure that all customers' deliveries are achieved. You will also review tracking data to ensure that the Couriers are on track and where relevant, step in to check if there are issues and offer appropriate solutions.

As an agile member of the team, you will manage Courier service working out of a number of sub depots within a geographical area. Courier recruitment and "on-boarding" is also a major part of this role. Working alongside Compliance Managers you'll manage / monitor KPI targets and are responsible for cost management / budgeting.
